BA Animation
and Graphic Design,
Sacred Heart College,
Thevara

Expertise

- Flutter
- Dart
- Android Studio
- Git

Language

English
Malayalam

Experience

Apr 2022 - Apr 2024

GIS Axiom

Flutter Developer

Developed and maintained cross-platform mobile applications using Flutter and Dart, ensuring compatibility with both iOS and Android devices. Collaborated with UI/UX designers to implement responsive and visually appealing user interfaces. Integrated RESTful APIs and third-party libraries to enhance application functionality and performance. Utilized state management solutions such as Provider, Riverpod, and Bloc to manage app state efficiently.

Apr 2021 -Jan 2022

Kingslabs

Android Developer

Designed and developed native Android applications using Java, delivering high-quality, robust, and scalable mobile solutions. Collaborated with cross-functional teams, including designers, product managers, and backend developers, to define, design, and ship new features. Ensured optimal performance, quality, and responsiveness of applications by performing thorough testing, debugging, and performance tuning.

Apps Created

Prabhat Doctor App - front-end (app for homoeo doctors)

Prabhat Patient App - front-end (app for patients)

Meera Opticals App - frontend (app for spectacles retailer)

Accurate Systems app - front-end (app for hardware shop)

Kezel owner App - front-end (restaurant owner app)

Spark App - front-end (repair and servicing monitoring app)
